

LUIS HPC Cluster Documentation

This document is meant to facilitate your work with the cluster system of Leibniz University Hannover. Please take some time to read through this document and do not hesitate to contact the [cluster team](#), if you have any questions. Please make sure you are subscribed to the Cluster-News mailing list, in order to receive announcements concerning the cluster system. A very brief summary of the system instructions can be found in this [cheat sheet](#).

User guide [Export to PDF](#)

- [About the cluster system](#)
